“ *"It was always great to talk to Jerry while stopping in at Royal Securities. He always had a smile and was so kind. He was a good friend of my Dad and I know my Dad really enjoyed working with him at Royal. I am sure they are talking about stocks and bonds up in heaven right now! Our thoughts and prayers are with you in the loss of a great man!"*

“ *"I remember getting groceries every Saturday with my mom and Jerry always made us feel like family! He even gave me a Christmas present one year- plastic horses pulling a buggy. Years later my mom and dad bought the store and start the ice cream store but it was always Huyser's store. So many good memories!!"*

“*It's hard to understand why a loved one is taken from us, but find comfort with the thought that those who love will be reunited in eternity. Hold on to your memories, and let them guide you doing this time of sadness. I did not know Jerry, but I do know his son, Tim and Tim is a wonderful person so his father must have been also.*”

“*Dear family, I'm so sorry for your loss. I remember riding my bike to Huyser's store in the 60'- 70's to get candy and buggles! We would put the buggles on our finger tips like we had long finger nails. He was such a sweet man. Always kind and had a smile for everyone. A man of God and a wonderful memory of my childhood. May you find comfort in knowing you shall meet again.*”
