“ *I have wonderful memories of visiting the lake house as a child for family reunions. I've lived out of state for the past couple of decades, so I didn't have the chance to see Aunt Gladys very often, but I did talk with her a bit in 2023 when I was in Holland. She was a sweetheart and she'll be missed! ~Melissa Haas (granddaughter of Aunt Gladys' husband's sister)*

“ My aunt was very special. It was always fun to go to their home and see all the new crafts and paintings that were created. We enjoyed playing games and cards there over the years. I always enjoyed my visits with her at both Appledorn and Rest Haven where we would share old memories and sometimes we would have an ice cream treat from the mini freezer in her room. We looked at new photos of all her grand kids and great grand kids. One of my favorite memories was that she gave me many metal clothes hangers that were adorned with various colors of yarn that she weaved over the metal to make a beautiful hanger. I always told her that whenever I saw those in my closet I would think of her. Now all those hangers will become more special to me when I use them and think about my wonderful aunt.
