“Our sympathy and prayers are with you as you grieve and celebrate Glen's life. During our years at Hamilton CRC, it was such a blessing to know Glen as chaplain for Transport for Christ. He had such a special testimony that blessed so many! May God comfort and strengthen you all in the coming days. We know He will.”

“My deepest sympathies to Glen's family and all of his loved ones. It was a delight to visit him at Providence. He often seemed to perk up when I would mention growing up in Bentheim. I was in Washington for over a week while Glen's health was failing and wasn't able to visit him then. Please know of my continued thoughts and prayers for your family. Cindy (Yonker) Nyhoff”
