“ *Gordan was 1 of my residents at Quincy Place, every morning I would park my med cart outside of his door and every morning he would come out to greet me with a smile on his face. I will miss our early morning chats.*

“ *Sad he is gone... but so happy he is with Barb again!! Our friendship started as neighbors at Sandy Pines (oh the laughs we had), and has held for the last 20 years. Gord and Barb loved eachother so deeply and now they are together again, looking at their Lord in the face- together! Our sympathies to the family.*
