“ *Greg was always a kind person. He enjoyed golfing and had been golfing at the course on Lake Michigan right across the street from me and knew of the Dog & Suds in Montague. He talked about spending time with his sisters and their families on holidays. Though it is painful to lose him on earth, I can picture him joyful and whole in heaven and that is a comfort. Praying peace and comfort to his family.*

“ I worked with Greg. We used to talk about bowling especially when he had a big tournament coming up to try to help him gear up for it. He always had a smile on his face and a funny memory when you needed it. He will be greatly missed.
