“ *When I learned of Guyla's passing, I very much wanted to go to the funeral and join with her family and friends in her memory. Unfortunately, living a twelve-hour drive from the Holland/Zeeland area and other complications have made that choice problematic. For those who don't know me, my name is Linda Cox and Dave was my only first cousin. Dave's mom and my mom were sisters. I've known Guyla for many years now. I very much wanted to share my thoughts and feelings about her. I feel she was such a special person. Guyla was one of the dearest, sweetest persons I've know. She was strong, loving and positive. I can still hear her cheerful voice and quick laugh in my mind. I will remember her kindness and adventurousness. Dave was lucky he met and married her. My family and I send our condolences to all the family and friends who are missing her. May you be comforted by the thought of Guyla and Dave being together again! God's blessings to all of you.*
