“ *"Dear Cousins, I have so many wonderful memories of sharing life with your family. Aunt Harriet was a wonderful example of giving of herself with her time and her resources. She was a treasured sister and friend to Mom, and I remember their many conversations and laughter while sitting by the swimming pool watching us kids. She loved life and loved her Lord, and left a great Christian legacy for all who knew her. May your memories become more precious and your walk with God become closer because of the example she was as a mother, (great)grandmother, and a child of God. Our love and prayers go with you during this time."*
