“ Sweet Hazel was just one of a kind! Hazel was everyone’s friend and everyone loved her! When I decided to stay home with my son and not return to work Hazel was the first one to give me a hug and cry with me that we would both miss each others company and said good for you! Hazel was the first person I told at Resthaven that I was having a baby and she was so excited for me like I was part of her family! Hazel was that person who was only willing to help out, tell you thank you for all you do, always had a smile on her face, gave the best hugs, had the biggest heart for the Lord, was always welcoming to new residents and staff, and the list could go on and on! Hazel is a resident I could never forget and I am so honored to have known her! My heart goes out to Deb, Sherrie, Barb and family you had one of the bests! Thinking and praying for you all during this time!

With so much love,
Alisha Kingston
