“ *"I'm so sorry for your loss. Hazel will be truly missed. Her sweet smile and her loving self was always appreciated at Frank's. Whether it be with family or her group of ladies faithfully every Weds morning she always brought a smile to our faces. As we lost a sweet, loving and caring angel here on Earth, heaven gained her."*

“Dear Dick, Linda & Laurie & families, Doug and I send our sympathy. Your mom was one fantastic, loving, wonderful lady! I have precious memories of her throughout my life....as a kid picking strawberries at your house when she was so much fun and talked with us and loved on us.....wedding showers at her house.....Morren Christmas gatherings....her fabulous piano playing (she was THE BEST & I LOVED listening to her play & wish I had a recording of it).....and, in these later years, lunches with her & Doug & Doug's mom and the great conversations we had! Her love and kindness were always evident. No wonder we cared about her so much! Although we won't be at the service in person, we'll be with you in spirit. I am glad I had the chance to talk with you, Dick, last week, and that Doug was able to stop to talk with you, Laurie, and say good-bye to Aunt Hazel last Friday. She helped to shape my life in a good way. I look forward to celebrating with her when I also get to heaven. ❤️✝️. "For the Lord Himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air! And so we will be with the Lord forever. Therefore, encourage each other with these words. I Thess. 4: 16-18 With loving prayers, Doug & Mary"

“My sympathies to the Kamp's family. Hazel was the first person I met almost forty years ago when I went to Roosevelt Elementary to apply for a job. She helped to guide all of us for years at Roosevelt. The definition of sweet and caring. Her smile and kind words got many of us off to a start each morning. She will certainly be missed by all of the lives she touched. Doug Dekker”

I am sorry that I will not be able to attend her funeral because I will not be back from Albuquerque yet when it is scheduled.
