“ *"My sympathy to Verna, John, and Jarv and your family. Hazel was a sweet and compassionate Christian. My parents Justin and Carolyn Brinks treasured their friendship with Hazel and Jarv and their shared roots. My thoughts and prayers are with you."*

“ *"I remember Mrs.Zoet's bright smile, kindness, and the good meals we had when cleaning out the barns. I think about you when passing the homes there on m-40 each year when visiting my Mom, now in Allegan. You were good neighbors and Hazel was a big reason for that. I'm sure the grand and great grand kids had a good influence in her, just as her own children did. You have a nice big family to keep her memory alive. May she be in God's memory."*
