“ *"Some of Heathe's 5th grade classmates informed me about Heathe. We all agree that he is one of the nicest guys we had ever met! I'm trying to remember whether it was a Michigan Football or Basketball game we shared one time. He sure brightened the day when he was near. His personality speaks volumes for his parents, coaches and others who influenced him AND the impression he made on others is priceless. Love and prayers to all his family and many friends! From his OLD 5th grade teacher, Tom Meyer."*

“So very sorry to hear of Heathe's passing. We were teammates at Kent State and stayed across the hall from each other our Freshman year. He was always upbeat and had a smile on his face. I was not aware that he was sick and for that I am truly sorry. I would have certainly reached out and chatted with my old teammate and friend. Thoughts and prayers go out to his family during this most difficult time.”

“Briana, Rylee, and Sydney words cannot express the feelings I incurred when I heard of Heathe's passing. He was one of the individuals that we were so fortunate to have our paths cross in this lifetime, but I know you all were aware of how special he was and how he touched so many people. Anytime we met he had this huge smile and made everyone around him feel that they were important to him. Though I didn't spend a hole lot of time with him I will carry that smile and friendship with me always. May God comfort you at this time of loss; yet realize how blessed you all were to be with him on a daily basis. Cherish those memories as I know his friends will also. May God bless and comfort you.”
