“My condolences to the family and friends. Heather was one of the sweetest people I've known we went to high school together and kept in touch throughout the years over Facebook. She was compassionate and always had encouragement for others. She was a champion for those who had no voice. Sweet lady you will greatly missed by so many but the impresdion you left all of us will never forgotten. Wish we had followed through on our plans together soon... Fly free”

“I want Heather's family to know she made a major impact on my life. With Deb Borema, Heather began Knittin' at the Mitten. This group of people and our activities changed me and came at a time when I needed it most. Her smile and her sparkle brightened the days of all who knew her. She is and will be missed.”
