“ *"Our sympathies to Steve and family. Helen was the youngest of our seven Meeusen cousins, and my memories of Helen start when she was a baby and our families rented a cottage together for a week. She grew into a beautiful woman inside and out, a woman of faith and service. You are in our prayers."*

“Oh I am so thankful to have known Helen in a small way. The trip to shipshewana that she arranged for the young mother's at Pine Creek Church, along with her trunk being full of goodies at lunch time:). The day she arranged for our church group to meet at her house to make apple dumplings! Oh, she was delightful! My sympathies to you, Steve, Leslie and David. It must be a great comfort for you to know that she is HELEN again! Thank you Jesus!”

“We rejoice that Helen's difficult journey is finally over but there is now a void that is left on this side of eternity. She was such a role model in many ways! It's great that those who join her in Jesus' promises can say See you later and not goodbye! Pete & Sue VanderWel”

“Dear Steve and family, Our hearts ache to learn that Helen has died. We only recently learned of her health issues of the past seven years and are so sorry we didn't know sooner. We can't imagine what you have been dealing with as you walked this journey with her. But I am certain that the love you shared with each other and with God made it possible to "carry on." Helen was a HUGE part of my (Donna) life in our Sunrise / Victory Point years. Our precious time in our small group (CHUDD's), times together on the worship team, and always her challenging me in Scripture memory, prayer and growing in Christ - this and so much more will always be a part of me because of her. You will all be in our prayers now and in the days and months ahead as you adjust to your life without Helen on earth with you. May the love and prayers of friends - past and present - lift you up. And "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." Romans 15:13.”

“Steve, Leslie and family, David and family...I'm so glad Helen and I could reconnect in this recent couple of years. We spent lots and lots of years as best friends: high school, standing up for each other in our weddings, raising kids together, doing organ/piano duets at Pine Creek, working together on Sunrise and Victory Point worship teams.... The memories are endless. After decades together, life took us in different directions, but getting together now and then in the last couple of years as Helen's disease began to progress was such a gift. What a precious friend she was to me and to so many others. We will be out of state for the remainder of the week, but our thoughts will be with all of you during the visitation times especially, and we look forward to celebrating this beautiful life with you on Sunday.”

“I had the privilege of praying and meeting with Helen and a couple other women weekly for probably 10 years in the 90's. I remember girls trips with the group and Helen had us continually laughing. She had a great sense of humor. We lost touch as the kids aged, but oh, how she loved you, Steve, Leslie and David. She was so blessed by each of you and I know you all were so blessed by her. I remember asking her once the disease hit if she was still able to play piano by ear and she said no and I was so sad for her. I take joy in knowing her music is back and she is using it to glorify her Savior. Prayers are with each of you in your loss.”
