“ *"I took care of Reka for a few years. She will always have a place in my heart. We spend many nights talking about the Netherlands and her journey here. Sometimes, I would paint her nails or curl her hair. Reka, I hope you're up there eating all of the m&m's and cookies you could ever want. You will be greatly missed. My condolences to the family."*

“ *"I met your mom when I was at Rest Haven for rehab. She was quite the character when she spoke in Dutch and English mixed! She was also very strong and strong willed which I credit her strong Dutch genes to! She loved her call coffee and cookies - oh and a good banana too! She was a joy to converse with even with hearing difficulties too!"*
