My wife also passed away a year ago, and we are comforted in knowing that they are now both in the presence of their Lord and Savior. The pain of separation will subside, but the scar remains. “Dawn and Eric,  
I wish I could write out all the great memories of your mom, and her genuine warm spirit. There are many, from family gatherings big and small. She spent time with my kids as well, so I got to hear some new to me kindnesses through Johanna. When we were kids- her willingness to host me for many a last minute sleepover, AND take me home the next day, finding a quiet room for me to go and listen to music while everyone else watched a scary movie- just a couple examples of her heart. My heart aches for you both. All our love, the Johnson family.”

“*"Henny was the quiet sister who we all loved. When mom needed extra help at home, Henny made it happen. The siblings helped where they could but it did not compare to the time and effort that Henny gave. It was not the retirement she may have planned but she did it because it gave her comfort. It reminded me of the line of scripture that says: "Whom shall I send? And who will go for us? and I said, "Here am I. Send Me!" Thank you Henny for being you. We will miss you. Love Ray, Rhea and Becky"*

“To the Hoffman and Griffin families- You have my deepest sympathy mourning the loss of your dear daughter, sister and mother. I will cherish the fond memories of Jenny and I going to Kentucky on the mission trips. We roomed together and did the work projects together. She was a hard working lady and always kind and gentle. I will keep you in my thoughts and prayers and someday will see her again in heaven!”
