“ *"My thoughts and prayers are with the family. My Mother Lois Van Oosterhout was a good friend of your Mother before her death 7 years ago. My Mom would drive your Mother to many church events. I always enjoyed visiting with her when I would attend Third. She was always interested in others. I will miss sending her cards and a quick visit at the nursing home. I am sorry I will be out of town on the date of her service. I would have loved to meet the children whom she talked about often. I loved the Christmas card with her picture in it a year ago. God blessed her life and your family. In His name. Judy Van Oosterhout Bakker"*
