“We deeply appreciate the impacting ministry of this faithful servant of God to our family while we attended Bethel CRC, Zeeland. Our daughter, Sharon, who was a very young girl at the time, took many notes of Rev. VH's sermons simply because she was able to follow his well laid out messages, in good outline form. She still has little notebooks filled with those notes. We remember Rev. VH challenging us to pray for a "new heart." And now we are thankful for life eternal! Our sincere heartfelt sympathy to all the family, as we lift up our continued prayers for all of you. Love, Jim & Nancy Mulder”

“We offer our heartfelt condolences to the family. Two quick memories (out of many) that we have of Rev. Henry: He and Nancy drove to Grand Rapids, in a severe blizzard, to watch Kathryn's senior voice recital at Calvin. It meant more than he could have known to have their support at that time. Second, I remember vividly the message he delivered at the funeral of a relative of mine. He had just received very bad news of his own health, and the way he laid the gospel split our hearts wide open. On that day, with those circumstances, Billy Graham could not have had more impact. His absence will be felt deeply.”

“ *"To Henry's extended family(especially his siblings):
I read of Henry's entrance into heaven in the GR Press and would
extend my heartfelt sympathy to all of you.I fondly recall our
days/years in West Leonard CRC where Henry's father was pastor-
and a man I considered my "spiritual father"!Though a few years
younger than Henry and Tom,I well recall those years together.May
the God of all comfort sustain each and every one of Henry's
immediate and extended family.*
