“ *I am so sad to hear of Henry's passing. I have many fond memories of attending church with him and Norma many years ago. My husband Dave and I were just picking strawberries a few days ago and mentioned Henry and Norma because one time we worked on a church strawberry festival with them. We, along with Henry's nephew Todd and his wife Lori picked, hulled, cleaned and mashed the strawberries together and we ate so many berries we all had major stomach aches! My sympathies are extended to Norma, her children and extended family.*

Henry was a good guy, always enjoyed talking to him at Haworth. I was in maintenance there and would stop at times and talk with him. We enjoyed talking about our faith and life. I left there in 1998, so haven't seen him in a long time. Had a lot of respect for him.
