*Herb I got to know as the pastor of Third Reformed Church when Herb became a member of the congregation. He always had a gracious smile. I remember him wearing his sailor hat and a pair of shorts, even if it was not all that warm outside. He was a thoughtful and compassionate human being. Even after I was pastor of the church, we would chat from time to time at Freedom Village. The funeral service last week was very nice. I appreciated the words of David and Peter. Blessings to you as a family at this time of loss. Kent Fry*
