“*Dear Brian and Cathy, We just heard about your newborn grandson being with you for just a few hours and we want you to know our hearts are full of sadness for you and your family. At this season so near to the birth of Jesus, we are reminded of the Glory of His love for us and His sharing of our sorrows and needs. You are blessed with a strong faith to help you to know you are loved and cared for by Jesus and by your earthly friends.*”
