“ *Jack was a great friend, he was a great listener, he was supportive and he was always there for others, he was caring, he was a true prayer warrior, he was a support for those that needed it and above all else he was truly a servant of Christ! He was a great example of what we should strive to look like if we are following Christ, he didn't only talk about his faith but more importantly his daily actions, his service to others and his love for others ultimately reflected his love of God. I will truly miss him but I'm glad that I can also take comfort in knowing that he is now with his Lord and Savior. I would like to send my condolences to the entire family as I know it's still a very difficult time even though we know he is now with Jesus, please know that you are in our prayers 🙏.*
