“I always enjoyed visiting "Uncle" Jack and various family members as they worked at The Elms Restaurant in Grandville. Tender beef steak sandwiches were prepared with love and served with a smile! The family reunions at Holland State Park leave fond memories too! We kids would say, " and how many kids are Ruth and Jack up to now?" :) Yet as a couple they handled all those children well! Our condolences to Ruth and all the family. I'm sure Jack's smile and the twinkle in his eye will be greatly missed! May God give you His comfort and His peace. So thankful we will all meet again in heaven. xoxo Laurel Alkema De Graaf"

“We give our heartfelt sympathy to the Alkema family. Prayers are with you all during this time. We loved being his neighbor...if only for part of the year in Michigan. Despite his failing health over the past few years, we could still count on a smile and a good story. He will be greatly missed.
In Christ's love, The Russcher family...John, Cheryl, Emily, Ashley and Lucas.”
