“ *"Dad I never forgot and will ALWAYS believe that you once saved the world from a giant octopus by tying its legs in knots. I could not have asked for a better father. Everyone should be so lucky. I will love and miss you always. You, like our mother had a heart as big as the universe, and for those who never took the time to know you, well.....it's their loss. I will love and miss you forever, but I know I will ALWAYS be your favorite daughter. All my love, Jennifer"*
