“ *"Dear Kyle and all of Jim's family, I have and will continue to deeply miss Jim. I often think that he will be coming around the corner in the office to tell us about his weekend fishing trip and to simply check in for the day. I am blessed to have known Jim and I know he had many friends here at Datacard. He will be forever missed by many of us. My deepest sympathy and prayers to each of you as you celebrate his life and remember what he meant to each of you. Very Sincerely, Sarah Brinkman"*

“Jim and I had lunch together a couple times where we learned that we had the town of Grand Haven in common. I had lived there briefly 1979 - 1980, working at Story & Clark Piano company. I believe he told me that his Grandfather had worked there. I really enjoyed his company and humor, as we all did. He is greatly missed. I feel privileged to have known him. My sincere sympathies to family and friends, Dan Chapman”

“*My son Robbie and myself first met Jim at Robbie's coffee shop on Chinook Pier. (The Brew Ha Ha) Jim kept his charter boat "The Assasain", at Chinook Pier a stones throw from the coffee shop. Jim literally introduced my son Robbie to Salmon fishing, often he would take Robbie for a quick fishing trip out to look for productive water for his next days charter. Robbie ended up getting a mates license - so, while his mother Debby, and I would run the coffee shop. Robbie and Jim would be off fishing for a full day of charters. ----- Jim treated our family with a great deal of respect. We knew we would miss Jim when he moved to Minnesota, and now we'll miss him forever. Thank you Jim, Robbie and I are better people for having known you. Bob DeHare, Grand Haven, Michigan"*
