“ I’m so sorry to hear that Tena has passed, although what a long, vibrant life she lived. Tena was my mom’s next door neighbor at American House in Holland. Since they had both immigrated to the US from the Netherlands, they became fast friends, and spent many great times together. We lost contact with Tena once she left American House, and I often wondered what had happened to her. My mom, Maria, passed away in 2017. I’ll always have fond memories of Tena.
