“ *"Bob, Junior, Jerry & your Families: It is our deepest regret that we cannot personally pass on our condolences at the viewing & funeral in the passing of Janet as we will be out of town. Please be assured you are in our thoughts & prayers during this time of your loss. I can still see Janet's face smiling at me through the window when I snowplowed the back yard at the house so Augie could get to his truck in the barn. That memory will remain with me forever! Our Deepest Sympathies, Kraig & Cindy Meyer"*
