“ Dear Larry, I remember one day in high school when we were sitting on the bus after school, waiting to leave for home, and Janet walked in front of the bus. You jumped up and declared that Janet was the girl you wanted to date. You did, and the rest is history. I'm sorry for your loss, but I'm happy that you had all those years with the woman you loved so much. God bless you and your family. -----Tom Van Dyke
