“ I am so grateful to have gotten to know Janet when she and Dick lived at Royal Park Place where I was serving as chaplain. We became good friends and she led some summer Bible studies and also some worship services where she would share her testimony. I continued to visit her after the move to Vista Springs. The last time I visited in December, she was so thrilled to have exceeded the expectations of her doctor, stating several times "I'm still here!" She kept reading, writing, learning and growing - always had several books going and would tell me "You need to read this!" She enriched my life and the lives of many in numerous ways. My sympathies and prayers to her family - Sincerely, Cindy Nyhoff

“ Both Janet and Dick supported the small Bible study (Good Book Study) in Elgin, Ontario and hosted the study at their beautiful cottage. We have very fond memories of Janet and her open sharing of her faith. May the family take comfort in a life well lived and her hope fulfilled now in her eternal home.

“ Janet and Dick lived in our Thornapple Ridge Condos for some years. She had the gift of hospitality . After her cancer , it was always inspiring to hear about her miraculous healing. How she loved Jesus and shared this love. Nothing boring about Janet!!

“ My deepest condolences and prayers to Janet's family. I remember Janet as a very gracious, warm and kind person. She and her husband Dick were so proud of their daughter Carin who was student teaching in my class in Wyckoff. I recall them visiting my class to "observe" Best Practices in action as Carin worked her magic with my students. Parents were beaming with pride.

“ Janet was truly one of the most beautiful women I have ever met. I first met Janet and Dick living at Royal Park Place where she was an inspiration to all who knew her. She was a friend to everyone! After moving to Vista Springs and the death of her beloved Dick, our visits became much more personal. I will always cherish this loving lady and miss our conversation and wise writings. Sing with the angels in heaven, my friend. *Thelma Hoekman*
