“ *Jan was always a very caring person. Always was happy. I don't remember a time when she wasn't. I remember her hosting the fish boils and Red Hats society at her house she always helped her neighbors with anything they needed. She would drive up Rodger from Holland and help him with groceries. She was happy when the family came up and loved the kids. We will really miss her ❤️ love Diane and Allan Segel*

“ I am from the Deur/Shumaker family that had a cottage three doors down from the Markvluwes for about forty years. It is fair to say that there was always a lot going on down at the Markvluwes place. Many people boating, fishing, swimming, doing yard games, and having bonfires. Many of us neighbors used to gather on their deck and laugh and tell stories. It was always fun seeing Jan again each summer when everyone found their way back up there. She was always game to do stuff with the kids and enjoyed having them all there. What a sweet and kind soul she was. I will always remember her with a smile. I'm sure all of you have wonderful memories of her. Cherish them. :)
