“ *I heard Jan's voice in the opening minutes of the Holland movie from her WHTC garden show. And for a split second, she was back again with us. Peace to you in God's heavenly garden Jan. You are probably laughing and giving advice about the flowers and plants...*

“ *My deepest sympathies to Jan's family and her family at Debruyn's. She was delightful to talk with, a great sense of humor and loved animals. I had countless conversations with her as she helped me with a feral cat or other animal that needed help. She will be so missed! But I am so thankful that she loved her Lord Jesus and she is now pain free!*

“ Jan will be truly missed. She was a long time neighbor and friend. Jan, Bob and I looked out for one another like family. However, the angels were sent to bless her with wings. She's flown high above and has entered heaven. RIP Jan, our dear friend.

For the family; our heart goes out to each and everyone ❤️ Bob and I will keep everyone in our thoughts and prayers.

“ DeBruyn team, Jan left a great legacy at DeBruyn's, she will be sadly missed. Very knowledgeable at what she did behind the scenes her shoes will be tough to fill! Of the 27 years I've called on DeBruyns I will miss the many conversations we had! She had a special love for DeBruyns and always talked of the associates as family! Since the bicycle accident she was always dealing with the pain from the injuries as a result of the accident. She seldom complained, although you could see she was in pain. With her love of God and Jesus Christ she is now pain free! We will all miss Jans positive attitude!

Prayers to Jans family, Ken and the DeBruyn's staff during this difficult time.

“ Jan was an amazing woman with so much knowledge on many topics and life situations. I enjoyed the many times over the years we got to have conversations. Her love for her family, her nieces and nephews, and the friendship she shared with Ken was always evident. She will be missed!
