“ *"I met Janna in 1985 at a Bible study. Our friendship grew steadily. Her quick wit, her humor kept me on my toes and with lots of laughter. Her love for family and friends were great! She loved her Thursday Excursions, the times her family and friends would visit her were always special. Meeting with Patti, helped her tremendously. I saw much healing take place in Janna's life from the first day that I met her to the freedom that she is experiencing now. I could regale you with so many stories it would take pages and pages to make a dent in what Janna ment to me. I know that she is freely dancing in the presence of the Lord. Janna, you will be missed, I look forward seeing you again, in the presence of our Lord and Savior! Until then my friend!"*
