“ *"My condolence to Jason's family from a fellow veteran from the USNavy. Jason was a member of the greatest generation that will be sorely missed forever. However, it is up to God to decide to take them from us. What is coincidental historically with Jason, is that he was stationed in the US Army during WWII at Camp Bradley in Livorno, Italy where my father was a German POW. (I learned this from his wonderful daughter Mrs. Nancy Smith.) My father was well treated at the Camp thanks to God and the US Army. Thanks to those veterans and the good Lord, I had a great father until his death at age 84 on Nov 11, 1998 in Holland MI. Hopefully we will all get to meet each other someday and celebrate together."*
