“ *"I am deeply sorry to learn of Jason's passing. We went to middle school together, and spent a lot of time hanging out with each other. I have very fond memories at age 15, of watching ECW back in the day, playing Super Smash Bros., and backyard wrestling. We eventually lost touch, just due to life getting in the way, but my only regret is that I didn't try to catch up with him sooner. May he rest in peace."*

“Dear Debby, George and Jennifer, I am deeply saddened by the news of the loss of your son, Jason. Crystal Bowman sent me the news by way of Dottie Mannes Van Drunen. My heart goes out to you; I can only imagine the depth of your grief. We have a son of similar age and interests. I'm praying for comfort for you from God's mercy and the love of friends and family. I do regret making contact after many years under tragic circumstances, but our losses bring us together as one suffering body. My love for you, Debby, is everlasting. We have lived parallel lives even when out of touch. Wishing you Grace, Mercy and Peace from God our Father and Christ Jesus in the days ahead. Lynda Boven Farrar, friend, Stockton, CA, Dec. 19, 2018”

“ *"I didn't get the chance to get to know you very well as we had just started talking, but just know that you won't be forgotten in discord land, it's going to be hard for a lot of us but we will hold on to the memories that you left with us. You were a very good friend to many, loved by all... I only went to one of your streams, and I now wish I would have stayed longer, you had a great laugh, and a great heart..... We love you Jay, Rest in peace, and fly high as heaven has just gained a special Angel #TheOutsideWorld"*
