“Pat, we were in the middle of Wyoming when we received a text from Michelle about Jay's death. We were shocked and are deeply saddened. Obviously not for Jay--he finished his race victorious--but for the deep emptiness it leaves in your heart. We ask God to honor His Word that He will give you peace that is beyond understanding and that peace will do its job of guarding your heart and mind. Our thoughts are with you and the kids, dear one. We are sorry we can't be there to embrace you with our (and His) love. Love you - Jeff & Denise”

“Our love to all of the Meiste family and thanks for letting us be a part of it through our son's marriage to Ruth. Jay was kind, thoughtful, gentle and I will deeply miss his deep, baritone laugh which others (I'm sure) are enjoying now.”

“*Prayers and condolences to Pat and family. I was very saddened to the sad news about Jay. We were stationed together at Ft. Lewis, WA. We kept in touch from 1968 when we were both discharged. Thank you Pat for continually keeping me informed about Jay and all the family. Your news of each expectant child seemed so long ago. Now they are adults who made their daddy proud. I was blessed and honored to call him my friend. He is now one of God's newest Angels. And probably one of his biggest. Haha. Rest in peace my long time good buddy.*”
