“ Mrs. Moore was one of my mother's best friends in Trenton, Michigan. My mom, Pat Kersh, always spoke highly of her friend "Jean" and missed her dearly when she moved from Sarasota back to Michigan.

“ Jean you are one of my best friends. You made working at Holland Hospital so much fun. I am so glad to have known you. Going out to eat with the four of us was always a hoot! We laughed so much. The world will be a little dimmer without you. Miss you.

“ I hired Jean at Holland Hospital when she was decades older than most of the people she would be working with. It turned out to be one of my best hires. Thanks to her unfailing honesty, courtesy and wonderful sense of humor she became a mentor to her co-workers and they loved her for it. A lot of them, and me too, will miss the friend they affectionately called Jean Jean Jelly Bean. She was a great lady.

I had the honor to work and get to know Jean while I worked at Holland hospital. We could tease her and she would give it right back. Some of us even called her Ma.
