“ *"I worked with Jeanne for 5 months at Vista springs and she became like a grandmother to me, I always enjoyed my time spent with her, the stories she told, the laughs she gave me, the memories I made with her & mostly the advice that came from her heart she always told me how it was and I appreciate that so much. I will always hold a place in my heart for her. She will be dearly missed. Prayers to the family, I'm so sorry for your loss."*
