“ *"Dear Joy and Family: As a former Cavalier, I connected and followed Jeff when he was at CHS. He had a great personality and truly loved life. Jeff assisted my basketball program at Fennville, while he was a student-athlete at Hope College. He coached my Junior High Boys Basketball Team. The Junior High Kids absolutely LOVED him! He was a great role model for the young guys, taught great team values and the guys would "run through a brick wall" for Jeff. The team went undefeated, but even better, he taught them life long lessons that will last a lifetime for each of those players. Jeff has made a huge impact in our society. My thoughts and prayers are with you and your family."*

“Dear Joy and Jenna, I oriented Jeff at Grand River Cardiology and most recently saw him in the surgical pre op area when I had several surgeries. He always had a smile. He always talked so lovingly about his wife and daughter. He was an excellent nurse practitioner. I am so very sorry for your loss. May the Lord bring you comfort in the days ahead. Having lost my own husband, I understand the overwhelming grief. Please know that you are kept in the thoughts and prayers of many.”
