“ I knew Jeff on professional level. In every interaction, Jeff was always kind and respectful. It felt more than that. It was a joy to take his phone calls and I took pride in the trust he had in me - and my company. His is truly a life lost too soon. My sincerest condolences to Jeff's family.

I loved working with you Jeff for those 4 years, and while my heart is heavy that you're gone I KNOW you are with Jesus enjoying eternal rest and the joy of the Lord! “ I remember eating lunch at the Gateway Mission with Jeff numerous times. I always tried to get there before him and take the chair with the back facing the wall. He had an interesting story about why he chose that chair. I always gave him a hard time about it, being all in good fun. The laughs we shared I'll never forget. You will be missed, Jeff. Very very much.

“ I worked with Jeff at Gateway Mission (Holland Rescue Mission) since 2011. He was a kind soul and always ready to help people out, if he was able. He had a big heart and lived out his faith by word and doing good works. He will be missed by all who knew him and especially his colleagues at Gateway Mission. May God grant his wife and children the peace and comfort that only HE can give.

“ Jeff was not a son in law he was like a son to me. He was a great father and a husband. He treated my daughter like a queen. He was a great believer in his faith of God and shared his faith. He could take jokes and dish them out. He loved his family time and spent his hours outside of work with his children doing things they enjoyed. Jeff was a great upstanding guy but I was the one blessed to have him as a son in law. I will miss you and I will see you again. I now have 3 stars shining bright.
