“I want to let Jennette know that I love her. We got closer since she got sick. We talked a lot. We grew up together. We never thought much about it I guess, but we were like brothers and sisters. We were always together when we were young. Mom and Aunt Dean were together a lot. I will meet you up there Jennette, I hope that you are waiting for me when I get there. I am praying for Jennette's family. I know that they loved her dearly. And the girls were , one was with her all of the time. She knew that she was loved. I hope that you all will get through this hard time. If you need me at any time call me. Love Lola”
