“ I am so sorry to see my friend has gone, but happy for her because I know that she is so happy and painfree. Prayers for the family she loved very much.

“ I only knew Jennifer from the few times she was a customer at our business, but she left a deep impression on me. I felt honored to see first hand how she handled her physical suffering so graciously. Out of curiosity, I went to her Facebook page and found she followed a page called Devotionals with Deanna. I now subscribe to this page and am blessed to get daily devotionals that have never spoken as deeply as these do! Thank you Jennifer!
