“ Jeremy was good to me—always funny and kind. We shared a kindred spirit for the outdoors, bonding over fishing, camping, stargazing, and simply enjoying the beauty of nature. I'll never forget the summer we went to see *The Motet*, and watched them open the concert while cruising down the ski lift overlooking Granby Ranch. It was a magical time and a memory I'll hold near and dear. Rest In Peace, Jeremy Butler. I pray for you, your family, and your brother Josh. You will be greatly missed!

“ How do you pick just one memory of a lifetime filled with them? I met Jeremy when we were just kids and was so blessed to be a part of his life through so many years. He became family to me and to my family and we celebrated so many great moments in life and stood by each other through the hard ones. That's what made our friendship and love for one another grow. Jeremy's soul was an old one and ran deep with passion. Passion for music, art, cooking, family, friends, fishing, his animals, and so much more. He made the best potato soup and loved celebrating his Irish heritage with boiled dinner and the traditional Guinness. (But he really preferred a chilled shot of Jameson). I cannot pick out just one memory to share because I have a lifetime of them. I'm thankful for each and everyone of them, as I know my family is for the ones they shared with him as well. Like his birthday this past summer, and many more.

My heart goes out to his family. Jill, Jackie, Dan and Josh. Your brother was a one of a kind soul and he will truly be missed.

“ *I met Jeremy about 5 years ago in Granby, CO. I was already good friends with his brother Josh and he was a fisherman so naturally we became friends right away. We did a lot of fly fishing and ice fishing together and got to know each other while sharing one of our passions in life. He was a really good guy with a good heart and would give you the shirt off his back if you needed it. He will be dearly missed by his family and friends. Rest in peace Jeremy.*

“ We will all miss you Cuz!! I'm really glad that we got to spend the time we had together and that my kids got to meet you and see what a great person you are. The girls Absolutely LOVED having you be their Personal Fishing Guide when we visited you and Josh in Colorado!!!! I saw that you kept that pic of her catching the Lake Trout in the basin that we went to way out in the boonies. We had some pretty awesome times together and I'll always have all of the great memories that we made together. I hope that you are finally at peace with all of your struggles. Rest in peace cousin, until we meet again.

“ This one time at fish camp. Jeremy caught the biggest fish I ever did see. He was always willing to help catch a fish. He also was a lover of music who enjoyed concerts. He will be missed and remembered forever.
