“ I had the pleasure of being one of Jerene's caregivers over the years. She truly was a kind soul, strong in her faith and very caring. She will be missed.

You could talk to her about anything, and she loved telling stories about her life, and past experiences. I loved hearing them, and talking to her about them.

I am so thankful for the time I got to spend with her. It truly makes me happy to say that she taught how to cook quite a few things! I will always remember making homemade applesauce, it was something she always had on hand. She loved it.

I feel so blessed to have such great memories of the time I spent with her. I will remember her always..❤️

“ So sorry to hear of Jerene’s death. My husband, Dick, always spoke well of her. We visited with her in our home several years ago but had lost touch. Thoughts and prayers as you celebrate her life.
