“Joan was the nicest neighbor anyone could have. Rudy and Joan we're so helpful when I bought my first house. They just don't make people like this any longer. I believe Jones grandfather was the great Maxwell Parish”

“Joan and I started our friendship in kindergarten at Burnett Street Elementary School. We had many great times together and her family was like a second family to me. Though my heart is sad for her suffering, I rejoice that she is with God and loved ones gone before her. One day we will have a glorious reunion in Heaven. Rest in Peace my Forever Friend I will always love you. I pray for God's Peace and Comfort for her family and the many people who love her.”
