“ Jodi was an incredible person and teacher who shared her knowledge with clarity, patience and kindness. Years ago, Jodi helped my children and I, who were new to horse ownership, rehabilitate a very scared 8 yr, old rescue pony. That pony subsequently became a reliable and versatile kid's mount that competed in every equestrian team discipline. Due to Jodi, my children had many years of joy and some important life lessons while training and showing their POA, who happens to still grace our pasture at 29 yrs. Jodi was an amazing person whose positive influence is far reaching. The Greene's send our sympathy to her family and wish them comfort and peace.

“ Jodi - or Miss Jodi, as we called her - was truly one of the most amazing people that I had the pleasure and honor of knowing. We were lucky enough to be students at Greenridge Stables, where my daughter and myself both took lessons. Jodi's unwavering care, patience, and expertise made the barn one of my favorite places to spend time. May she rest in peace, and may her family know what an incredible impact she made on my family. She was one of a kind.
