“ *"Brenda, Wanda and families: Paula and I extend our deepest sympathies in the loss of your father and my uncle. Uncle Jay was the first one to dub me "Butch" when I was born and I still remember travelling to Niagra Falls with him and your mother. He had me yelling "Hubba Hubba Ding Ding" to all the other couples. I know you will miss him and so will we. You are all in our thoughts."*

“ *"We're thinking of you all as you adjust to the loss of your dad, grandpa, brother, friend. John and Millie were wonderful and giving neighbors to us--sharing their pool, their garden, and a snow blow when it just wouldn't stop snowing. I remember seeing the two of them sitting in their backyard by the fire or taking a walk down the street together. May you be comforted by the many great memories you have. Greg and Suzanne Visser and the kids"*
