“When I think of John Vink... I think of his kind smile, and inviting presence. He was really a gentle giant growing up. He built his family home shortly before my family followed suit. I'll never forget all of the sleepovers that happened in the bed of his pick up truck or how he made a tree fort come to life! He even helped me build a sacred wooden box in his shop to gift a good friend. John was always someone my dad spoke highly of... so happy when he'd run into him, as they lived just down the road. My dad went to be with the Lord in October 2018, and I like to believe he was waiting for John with open arms. I know they celebrate pain free, but we will always miss their addition to conversation and precious moments. Love and prayers for everyone in the family ❤️”
