“ Thanks Grandma Alysce for sharing Jonah's last few month of his life with us. He was a strong fighter and gave it his best. But God has another plan for him...to keep Grandpa Stan smiling. May Gods peace help you thru this transition.

“ Jonah and I go back to 4th grade. Not as fellow students but as student and teacher. Eleven years ago Jonah was in my 4th grade class. He was full of life and he loved his classmates and they loved him. True to form, Jonah would have much preferred to be outside than the confines of the classroom. The smile you see in the attached photo was what I was bless to see for an entire school year. Thanks Jonah. Love Mr. Bouman (Steve)

“ *Prayer for family and friends:
You gave Jonah to us as our son/friend.
Give us now the assurance that,
though he has passed from our sight,
he has not passed from Your care.*

*Draw near to us in our sadness, bring blessing out of grief,
and help us in our tears and pain, to know You,
standing alongside us, and to experience
Your love and healing;
through Jesus Christ our Lord. Amen.*

“ *I will always remember Jonah and a vibrant young man who loved his truck, loved his dogs, loved his country, loved his family, and loved Jesus. I am thankful for being able to know him and watch him mature into a compassionate and hardworking young man. I will miss his pop-in visits to school. They always made my day. Thank you, God, for Jonah.*
