Dear Haveman family, our sympathies in the passing of your son and brother. Many find memories of time spent with your family through the years. Being the oy boy in between girls had to be a hard job growing up but he handled it well.
At my last visit with him, Linda was there and we did some reminiscing with some good laughs. I will remember those stories and laughs. I know Jon holds a special place in all our hearts. Hugs and prayers.

Sweet Linda and families. I worked with Jon at family fare, and enjoyed that time with him. Now he's living forever healed and waiting to seeing all of us who knew him. And know his Lord as our own. Sending you our love and prayers.
