Mr. and Mrs. Kos

My condolences on the passing of your son and my friend Jon. Even though I haven't seen Jon in a long time, I had many fond memories of him growing up. Every year he would wish me happy birthday on Facebook including this past February:

Happy Birthday Mike!! Halfway to 98! I hope your day is spectacular!!

I am so sorry for your family's loss, my prayers are with you.

“ I am at a loss for words as my emotions are overwhelming. Jon was an amazing friend to so many. He literally saved my life. A favor I will never be able to repay. My prayers are with his beautiful children he loved so deeply. With Amanda whom he was so grateful he met and married. His parents who raised such an outstanding human.

One of the last text exchanges we had was Jon sending me a message to be strong as the anniversary of my mother's passing was approaching. He knew how difficult that loss was for me... every year (literally every year) when the day would approach he would always reach out and check on me.
I know now that Jonny is with our Savior.
