“ *"Uncle Jon was one of my absolute favorite people in this world. Of all my aunts and uncles (although I love them so much too) he was my favorite. He was the person I was so excited to see when we would come to visit. As soon as I would walk in the door he'd come right around the corner, hi baby, how are you? and wrap his arms around me. We have so many memories together. He loved and would do anything for us kids, (actually, for anyone, really.) He'd take us to the store and just spoil us. He would sugar us up, make us caramel popcorn and let us drink root beer, Barq's specifically, and let us pick what movies to rent. He's the uncle who always wanted to know what was going on with us, what was happening in our lives and who we could talk to about anything..I'll miss his big hugs, our conversations, his laugh, his smile. I'll miss his happy, fun, uplifting presence. He was the sweetest, most gentle soul. He was so good to everyone. He would do anything he could for anyone, and made everyone feel welcome. I love and I miss him so much..I know I'll see him again someday but until then, I'm crushed he's no longer here with us..I'll be seeing you Uncle Jon.. xo"*
